

X-ACTICLEAN

Description:

FOAMY EMOLLIENT WITH ACTICLEAN.

Fragranced foamy degreaser with Acticlean to prevent deposits caused by hard water in car wash systems and on cars. It is the latest innovation of Fra-ber laboratories for quick and easy cleaning. Its formula is enriched with "Acticlean":

1. It prevents the formation of salt deposits caused by hard water in pipes, on brushes and on cars.
2. It reduces damage of salts, keeping them suspended: hard water causes mechanical parts to break and develop deposits on nozzles and pipes in car wash systems.
3. It improves cleaning by reducing limescale and thus makes the surface shiny and smoother to touch.
4. It has a low phosphorous content (P < 0.06 g per 40 m).
5. No potassium and sodium hydroxide*
6. Contains surfactants having biodegradability in compliance with 648/2004 and the perfume does not contain allergens, pursuant to attachment III part one.

For more informations visit the web site www.fra-ber.it

*it can contain traces.

Directions for use:

- Pump: 10-25 pump flow pulses 12 l/h consumption for a 8-25 ml cycle.
- Dosatron injector: 0.8-2.5%.
- Sprayer: 1:40-1:50.
- Foam nozzle: from pure to 1:6 (166 ml – pure).

Warnings:

To handle the product follow the precautionary advice on the safety data sheet.

Technical Features:

Appearance and color: green liquid

Odor: characteristic

pH: 10,90

Flash point: > 100°C

Relative density: 1,05 g/cm³

Storage:

Unopened and stored at room temperature away from direct sunlight.

Packaging:

PACKAGING	ITEM CODE
JERRY-CAN 5 Kg	78724
JERRY-CAN 25 Kg	78725
