

Beyond the Doorstep

Travel with
Andrey Kuzmin

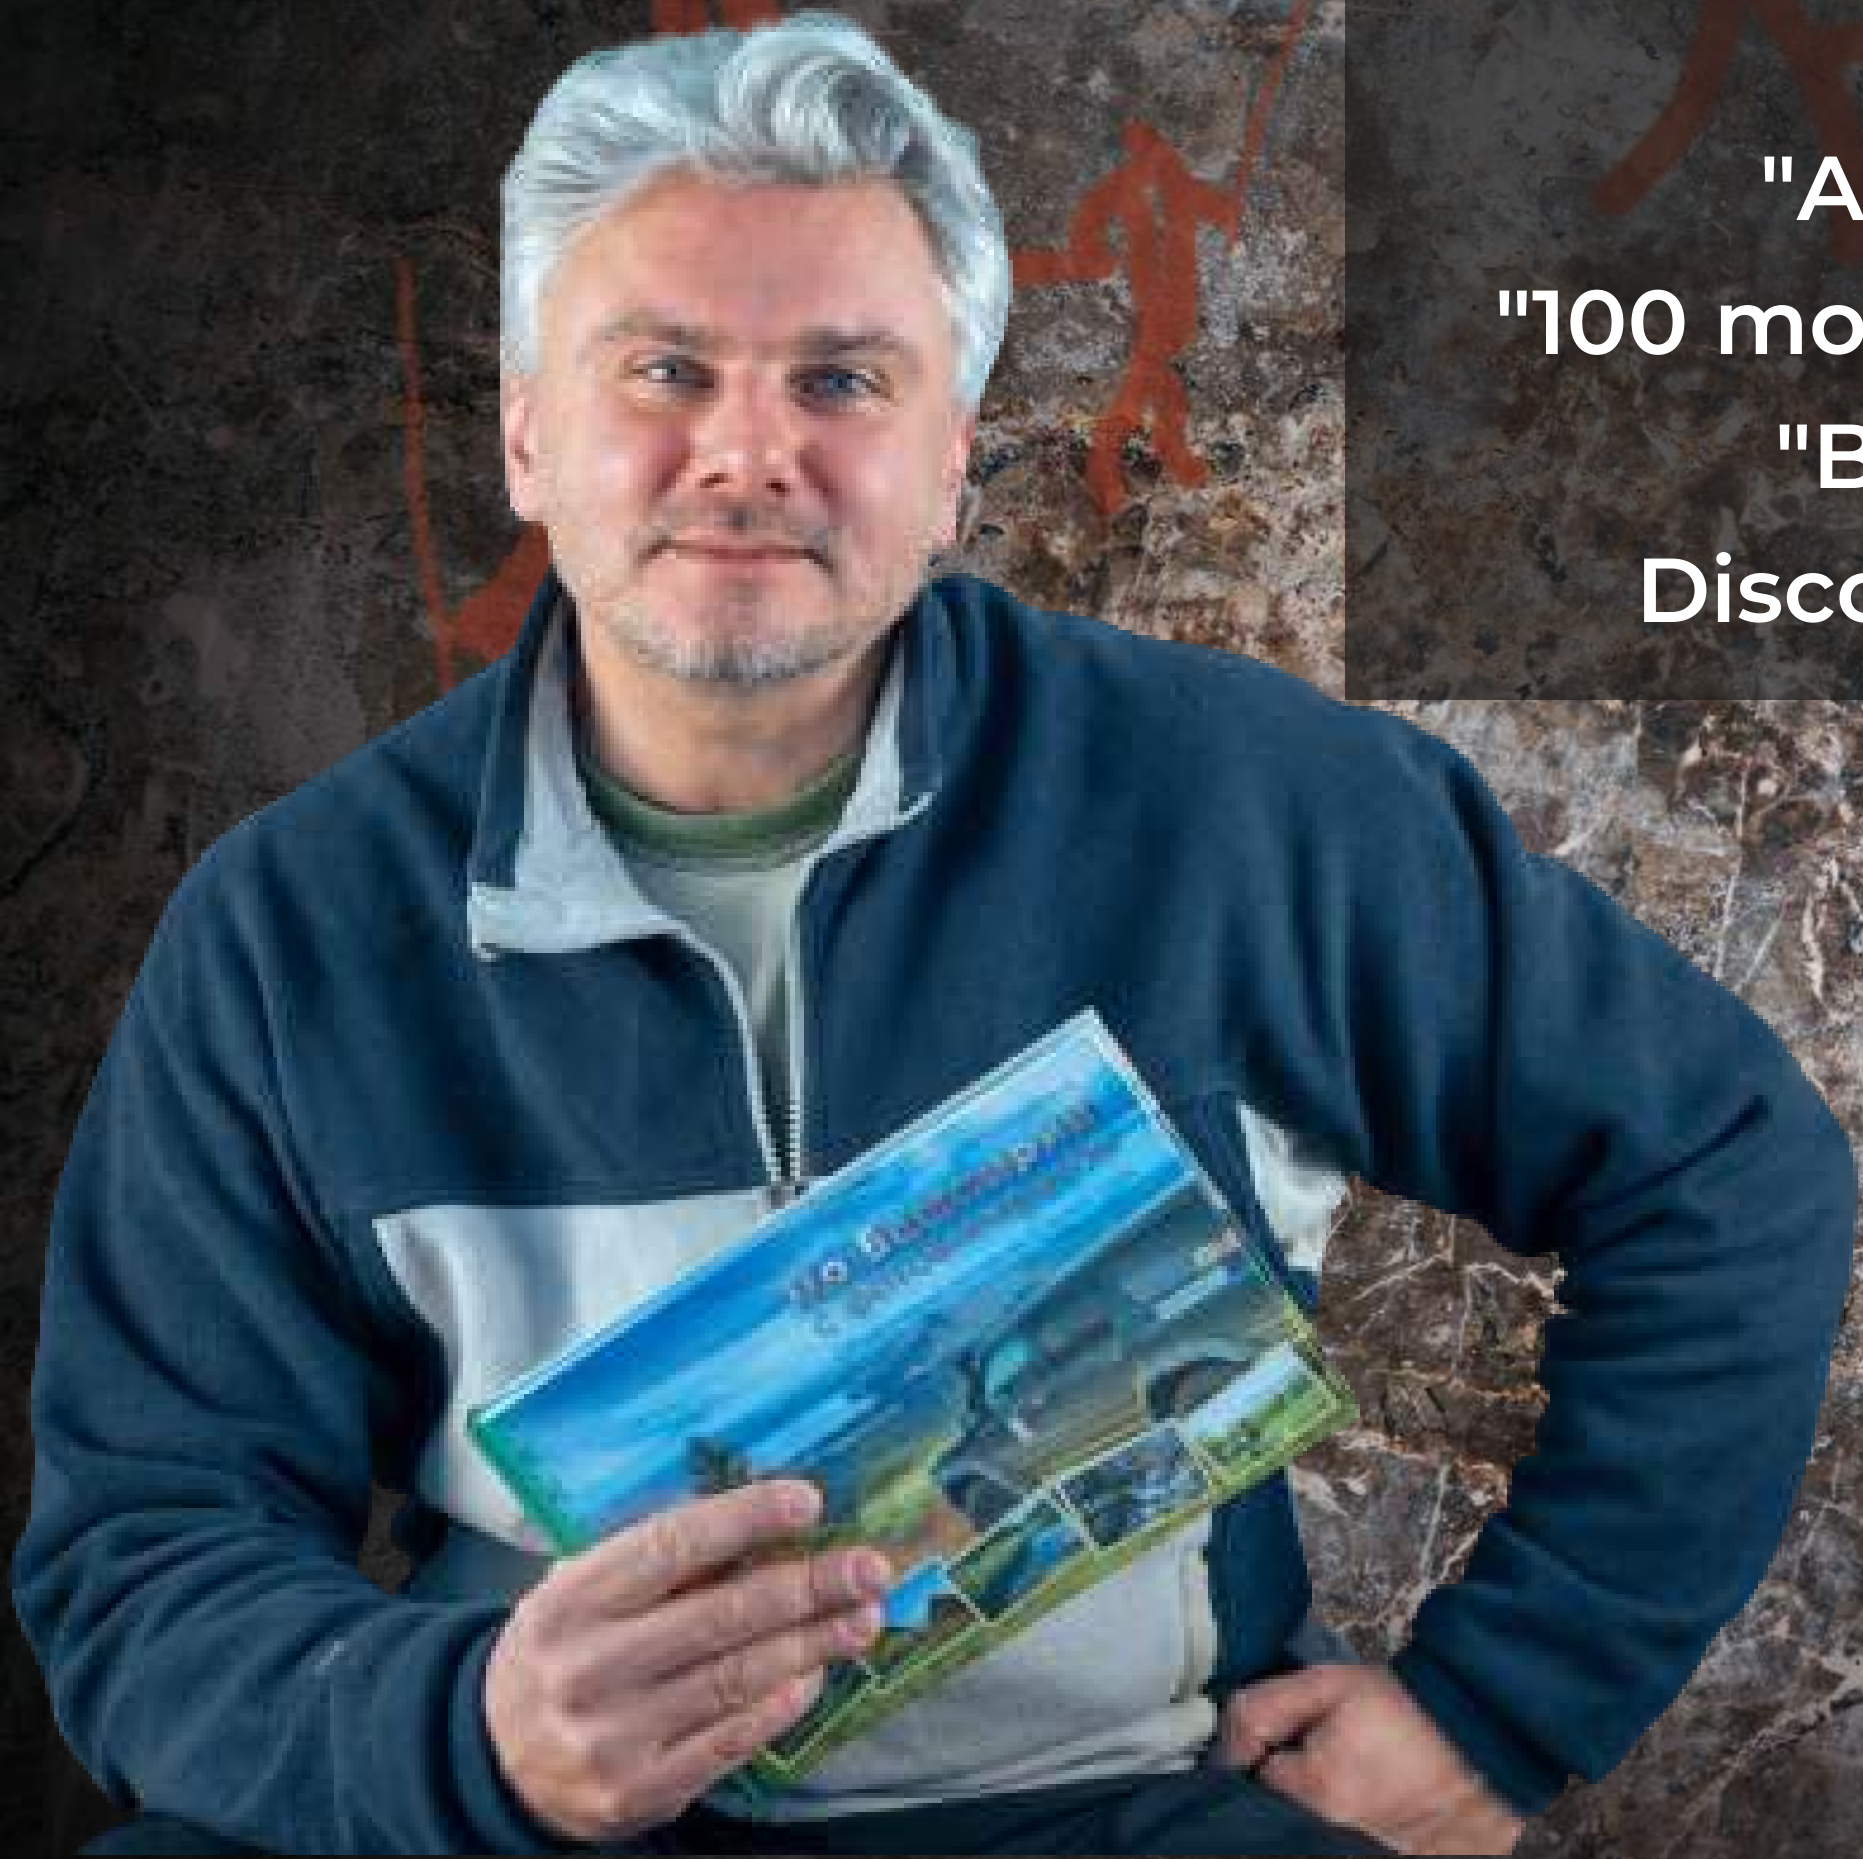

FTR

About traveling in Russia and beyond:
- museums of Yekaterinburg and Perm
- weekend with family in the South Urals
- to Georgia and Armenia in a car
and more interesting travels in our project
“Beyond the Doorstep”.

The first episode of the series was released in 2011. Now the series consists of more than 250 episodes. The host and author of the series Andrey Kuzmin and his team have visited more than 600 unique spots all over the world. They have tried hiking, rafting, skiing, snowmobile riding and even dog sledding.

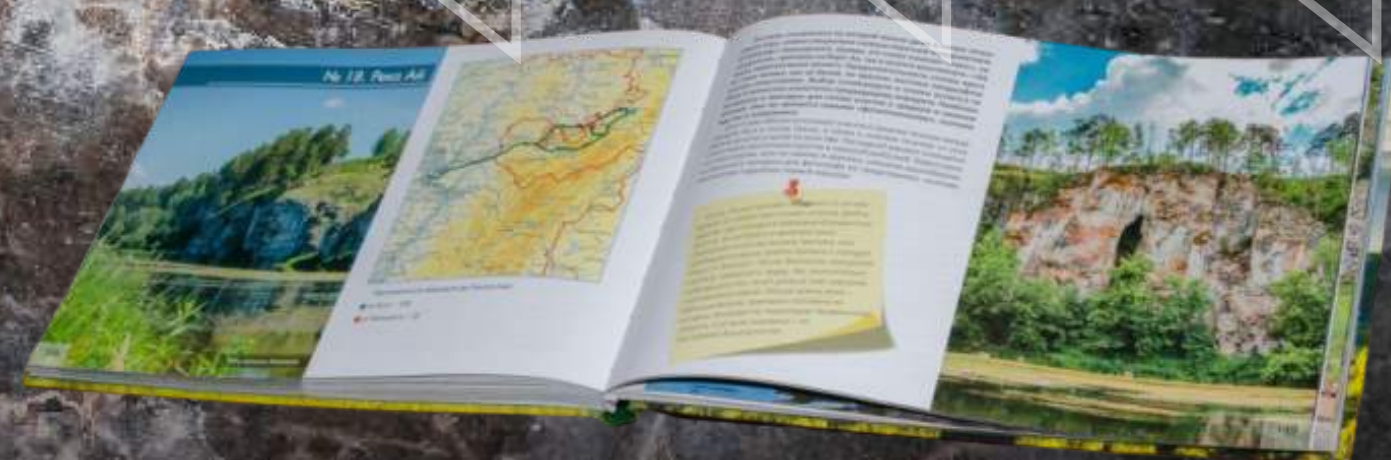

Andrey Kuzmin is a speleologist, traveler and
a writer of the guides

"Across Bashkiria with a camera",

"100 most beautiful places of Bashkortostan",

"Beauty and secrets of the Urals".

Discovered 20 caves in the South Urals.

Reviews

The reviews about the series:

Thank you, Andrey, for this video, it is great as always!

YouTube user Vera Privalova

My respects! Interesting and nicely filmed video!

YouTube user Gold Later

Thanks! I always watch your series with pleasure. The episode about my hometown was especially cool to watch!

YouTube user Elena Grishaeva

This is what the host should be! I would like to listen and to watch all the episodes with Andrey.

YouTube user Valinur Rafikov

Thanks, the series are helpful. We are going to visit the places shown in the series!

YouTube user Very Good
