

M18 wireless stereo headset

Product icon:

Specifications:

Battery input voltage: DC 3.2-4.2V
Charging input voltage: DC 5V +/- 0.25V
Charging current: 40mA
Bluetooth range: <15 meters
Bluetooth frequency: 2.4GHZ-2.48GHZ ISM Band
Maximum RF output power: 8db
Microphone sensitivity: -40±3db
Microphone size: 4013 cylinder
Microphone output impedance: 2.2Ω
Microphone directivity: omnidirectional
PCB number: WH14-ER69738Z-V1.0
PCB layers: two layers
PCB material: FR4
PCB size: 33*5.3mm*0.8mm
Other: Surface spray tin green oil cover hole

Function Description:

1. Power on: automatically power on when the cover is opened, (you can also power on manually, long press the power button for 6s, long press the power button for 6s, complete the automatic pairing of the main and auxiliary ears, automatically return the last pairing record, and automatically enter the pairing state without connection)

Precautions:

1. Do not treat this product violently, or squeeze it with heavy objects, and stay away from high temperature and high humidity environments.

2. Keep away from wifi, routers and other high-frequency transmitting equipment, which will affect the signal reception of this machine, and cause sound jam and disconnection.
3. Please use this product in an effective environment (15 meters), and there should be no physical obstruction (such as walls, etc.) between the Bluetooth device and the headset
4. When the charging compartment cover is opened and closed, the charging box light does not turn on. This is the status display of the charging compartment without electricity. At this time, the automatic power on of both ears is invalid, and manual touch is required to start.
5. Note that when wearing the Bluetooth headset, your hand should hold the grip area of the Bluetooth headset to avoid accidentally touching the pinch area of the headset and causing the music to pause. (Refer to the previous product illustration for the grip area and touch area)

Note: This product can be connected to any device with Bluetooth function.
